OLD BUSINESS

Discussion: Supervision of Physical Therapists seeking sports physical therapy certification
The Board tabled this discussion until August.

Discussion: Limitation of Online CEUs

Mr. Sullivan did some research on limitations of online CEUs and out of 49 states, 37 had no limitations, 13 had limitations, and 4 states required no CEU to keep license. Mr. Sullivan did have a concern about the APA online courses and if the Board has limitations how that will affect licensees. After discussion, Mr. Sullivan will write up language for the next Board meeting on what the Board will propose as limitations on online CEUs. The limitations will be up to 2.0 CEUs for approved self-studies including courses that demonstrate time requirements and are related to physical therapy or athletic training if there is a sponsoring agency and the

sponsoring agency provides a certificate of completion and a post course examination. Hybrid courses that combine online and onsite instruction may be used for additional CEU requirements.

Mr. Mazingo submitted additional information for the Board to review. After discussion, Ms. Blansfield made a motion, seconded by Ms. Kaza, to propose to deny the application of Mr. William Mazingo.
